SUMMARY

Junior Frontend Developer with hands-on experience building responsive, user-focused applications using modern frontend technologies. Currently a **Frontend Developer Intern at Luul Solutions Ltd (London, UK – Remote)**. Strong foundation in HTML, CSS, JavaScript, React, and React Native, with experience delivering real-world projects including a Todo App, Finance Tracker Dashboard, and a personal portfolio project. Comfortable with Git-based workflows, modern tooling, and basic backend concepts.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React, React Native, TypeScript, Tailwind CSS

Tools: Git, GitHub, Command Line (CLI), VS Code, Cursor

Backend (Basic): APIs, core backend concepts

PROJECTS

Personal Portfolio Project

- Built a personal portfolio application using **React Native, TypeScript, and Tailwind CSS**
- Showcases projects, skills, and contact information
- Focused on reusable components, clean architecture, and responsive UI

Todo App

- Developed a responsive Todo application using **React Native, TypeScript, and Tailwind CSS**
- Implemented task creation, editing, deletion, and completion features

Finance Tracker Dashboard

- Built a dashboard to track income and expenses using JavaScript
- Implemented dynamic UI updates and reusable components

(Live demos and GitHub links available in portfolio)
